## Engagement and Behaviour Policy

**In Ysgol Llywelyn our aim is to ensure that all learners become**

- Ambitious, capable learners, ready to learn throughout their lives.
- Enterprising, creative contributors, ready to play a full part in life and work.
- Ethical, informed citizens of Wales and the world, ready to be citizens of Wales and the world.
- Healthy, confident individuals, ready to lead fulfilling lives as valued members of society.

**To achieve the best outcomes for our learners it is essential that strong collaboration and partnerships exist between the pupil, the school and home.**

Learners learn best in a disciplined and orderly atmosphere where they are often reminded of expectations. Our rules are clear and set the standards that learners should aspire to, in and out of the classroom. Discipline is a general concern and the responsibility of each member of staff at all times. A consistent and firm response from our staff, towards unacceptable behaviour, reinforces our expectations of the learners.

Problems are normal whenever people interact, especially when young people are learning and testing the boundaries of acceptable and agreed behaviour. Success can be judged not by an absence of problems but by the way we deal with them. We should always endeavour to distinguish between the problem and the person. Young people will always make mistakes and when they do, there needs to be a response, not a reaction.

Our expectations also outline the behaviour, attitude and order each member of our school community should follow at all times.

### School Expectations

- **Ready** – Everyone should arrive at school with the appropriate attitude, equipment and appearance which prepares them for success.
- **Respectful** – Our school appreciates the dignity of each member of our community. Everyone should show respect towards themselves and all members of the school community
- **Responsible** - Everyone has a collective and individual responsibility to ensure our behaviour promotes effective learning and the safety of the school community. Everyone needs to take responsibility for their own actions.

## Behaviour management

At Ysgol Llywelyn we are committed to ensuring that effective teaching and learning takes place and good behaviour is compulsory in all aspects of school life. We seek to create a positive learning atmosphere through:

- Promoting good behaviour and discipline.
- Promoting self-respect, self-discipline, respect towards authority.
- Promoting positive relationships which are based on mutual respect.
- Promoting consistency whilst responding to positive and negative behaviour.

## Recognition – An opportunity to reward Learners for their achievements.

- **Classroom level** – staff are highly skilled at identifying opportunities to praise learners and recognise their successes.
- **Departmental Team** – Learners will be identified weekly by their teacher to receive a praise certificate from their Head of Department.
- **Senior Leadership Team** – Learners will be invited to meet with the Headteacher and team to recognise their achievements.
- **On-going** Good to be green certificates and rewards presented and in assemblies each week

As at any school, almost all of our learners are polite and well behaved most of the time. They are keen to learn and participate fully in all aspects of school life. For Learners to achieve at the highest level of which they are capable, good attitudes, parental support and the establishment of the right conditions for learning are all essential. Acceptable standards of behaviour and respect depend upon the example of us all: we all have a positive contribution to make. Good order has to be worked for, it does not simply happen. Everyone at the school is here for a purpose and every person should be respected and treated as an individual. Relationships are vital – between everyone and at every level. We should all make an effort to:-

- Greet and be greeted
- Speak and be spoken to
- Smile and relate
- Communicate
- Make a difference
- Show equality and fairness.

## Appendix A

### Engagement and Behaviour

#### Rights and responsibilities with regard to staff

- Ready – Everyone should arrive at school with the appropriate attitude, equipment and appearance which prepares them for success.
- Respectful – Our school appreciates the dignity of each member of our community. Everyone should show respect towards themselves and all members of the school community
- Responsible - Everyone has a collective and individual responsibility to ensure our behaviour promotes effective learning and the safety of the school community. Everyone needs to take responsibility for their own actions.

#### Rights and Responsibilities:-

Ysgol Llywelyn and its staff have the right to:-

- Enforce the school's behaviour policy including rules and disciplinary measures.
- Expect learners and parents cooperation in maintaining an orderly climate of learning.
- Expect learners to respect the rights of other Learners and adults.
- Not tolerate abusive or violent behaviour.
- Involve outside agencies as appropriate.

#### Classroom Expectations.

The rules of the classroom need to be few in number and referenced regularly by the classroom teacher. Learners should be questioned about the rules and asked to offer reasons why we have such rules. The rules will only remain effective if all the teachers use them on a regular basis.

It is vital that we manage our expectations based on the pupil's ability and understanding.

All staff should follow the **same procedures** :

- Greet all learners every morning, at classroom door - with a smile
- Always start and end a lesson on time.
- Always take a class register and make a note of any pupils who are late.
- Always state the learning objective on the white board and ensure resources are available.
- Remind the learners regularly of the expectations and consistently give praise.

- Do not leave the classroom, unless there is an emergency.
- Keep learners on task throughout the lesson and do not let them leave the classroom, unless there is an emergency.
- Identify the classroom hot spots, and strategically locate ourselves in response to this.
- To know the name of all pupils who are in our care.
- Take responsibility for discipline.
- Every day is a new start
- Every lesson is a new start.
- To hold reconciliation meetings.
- Create a recognition board.

All staff should:

- Model good behaviour.
- Maintain emotional control – give yourself time to think before reacting
- Uphold your dignity to sustain a relationship with the child.
- Be calm.
- Be confident.
- Be consistent.
- Show compassion.
- Maintain a professional relationship – separate the behaviour from the child.
- Understand they can influence change and that when an adult changes ,everything changes.
- Recognise that everything depends on the adults’ behaviour.
- Be proactive in ensuring you keep up to date on individual pupil needs
- Share good practice and success

We should follow all of the above to ensure we don’t:

- Humiliate
- Shout – it belittles others and diminishes impact
- Over-react or act impulsively
- Punish everyone in a group, or punish something you can’t prove.
- Use sarcasm.
- Abuse your authority.
- Use empty threats
- Make empty promises
- Hold a grudge

## **Behaviour Management Strategy, to create a positive learning environment.**

### **1. Plan Lessons for good behaviour**

#### **○ High Expectations**

If there are high expectations for all learners, they will be more likely to succeed. You must set clear boundaries and you must re-visit them frequently.

#### **○ Differentiate**

Excellent teaching can reduce behaviour problems, but this is not always the case. Research shows that clear explanations and tasks which are matched to the needs of the learners improve attitudes towards learning.

#### **○ Good pace in a lesson**

A well paced lesson can help ensure learners are engaged and productive throughout.

#### **○ An organised learning environment**

An orderly and tidy learning environment can help promote good concentration and avoid distraction.

### **2. Staff-Pupil Relationship**

You should ensure that everyone is treated fairly and with consistency. **Every lesson is a new start.**

### **3. The teacher's passion**

If a teacher has passion for the subject, this will be conveyed to the learner.

### **4. The teacher is ready for the lesson**

If a teacher is in the classroom ready to greet the pupils and engage in eye contact, this is an advantage and gives control and control of the classroom. You should consider an appropriate seating plan for each class.

### **5. Praise**

Staff should consider using praise three times to every one reprimand, this can change an individual's attitude during a period of 2/3 weeks. **'Catch them being good'**.

### **6. Language**

Staff should always use positive language. E.g. rather than saying "will you stop talking" you can say "I want everyone to listen now!", rather than "Dylan, don't turn around to talk to Bethan", you can say "Dylan, thank you, I need you to face me and focus on your work'. Try not to use uncertain questions, give polite and courteous instructions.

### **7. Be consistent**

Whatever your behaviour strategy, you must be consistent, and everyone should be treated equitably.

## **Beyond the classroom**

All staff have a collective responsibility to promote positive behaviour beyond their classroom. Undirected time can contribute to a deterioration in the behaviour of learners.

We can all promote good behaviour through positive interactions at every opportunity.

We should expect to:

- Enjoy relating to one another.
- Welcome all members of the school community.
- Start a conversation at every opportunity.
- Deal with poor behaviour, to ignore is to condone.
- Set high standards of speech, manner and dress.

It is good practice to regularly discuss and review these procedures with all members of the school community. The behaviour around the school and the late arrival of Learners can have a detrimental effect upon your lesson and other lessons going on within the school.

The following is to be used as basic guidance for the behaviour around school. Ensure as much as possible that you reinforce the procedure below.

- Playground rules are clearly displayed on the exterior walls.
- Walking in the corridors and around the school, in a calm, orderly manner.
- Showing respect and courtesy to others.
- Respecting the property of others.
- Respecting the privacy of others in toilets.

## **Dealing with poor behaviour**

While responding to unacceptable behaviour, staff should take note of the below advice:

- All staff should adhere to our whole school strategy for managing behaviour.
- If a learner seems to be “playing to the audience”, deal with them away from the audience.
- Convey to the learner that you have high expectations of them and are disappointed when they let themselves down.
- Make it clear to a learner that once an incident has been dealt with then as far as you are concerned it is finished. You expect normal relations to be re-established. Every lesson should be a chance to make a fresh start.
- The closer the sanction is in time to the misdemeanour, the more effective it is likely to be.
- Sanctions aimed at a learner rather than at the behaviour. Hould be avoided at all costs. Sarcasm, embarrassment, fear etc, will worsen matters rather than help them. Ask yourself how you would feel if you were in the same situation.
- Remember it is usually not personal.

### **Malicious allegations**

If an allegation is made against a teacher the quick resolution of that allegation should be a clear priority to the benefit of all concerned. At any stage of consideration or investigation, all unnecessary delays should be avoided.

Allegations should be dealt with using appropriate policies and procedures.

- Learners who misbehave while travelling to and from the school may be subject to the school's sanctions, and/or those contained in the Denbighshire School Transport Policy.

## **Behaviour outside the school**

- We value our learners' experiences, both inside and outside of the school, and as such we will expect our Learners to behave in a manner that promotes Ysgol Llywelyn. However on occasions Learners' behaviour may not be up to the expected standard and as such they may be subject to action from the school.

## **Malicious allegations by Learners**

If an allegation is made against a Teacher the quick resolution of that allegation should be a clear priority to the benefit of all concerned. At any stage of consideration or investigation, all unnecessary delays should be avoided.

Allegations should be dealt with using appropriate policies and procedures.

Learners that are found to have made malicious allegations are likely to have breached the school Behaviour Policy. The school should therefore consider whether to apply an appropriate sanction, which could include temporary or permanent exclusion (as well as referral to the police if there are grounds for believing a criminal offence may have been committed).
